# SOUTH SHORE

South Shore

NovaScotia.com

Quarterdeck Beachside Resort

# Coastal charm, outdoor adventure, and sea-inspired artisans and cuisine

From the UNESCO World Heritage Site of Old Town Lunenburg, with its colourful working waterfront and beautiful architecture, to the inspiring views of the coast and its 40-plus lighthouses, the South Shore is much more than the home of *Bluenose II* and the must-photograph Peggy's Cove. It is a place where you can imagine a time when tall ships filled the harbours and experience the area's seafaring heritage first-hand.

Watch how pewter designs become keepsakes before crafting a piece yourself at Amos Pewter in Mahone Bay, Canada's only Pewter Economuseum. At Kejimikujik National Park and National Historic Site, discover Mi'kmaw petroglyphs etched in rock, with the help of an interpreter, and experience stunning stargazing in the Dark Sky Preserve.

Culinary delights abound here, and fresh seafood is the cornerstone of many delectable dining experiences, like the famed Shore Club Lobster Suppers in Hubbards, famous for great live music and serving more than a million lobster suppers over the past 70 years. Delicious seafood is never far away!

# YARMOUTH & ACADIAN SHORES

# Where the stars align

There's a bit of magic in Yarmouth & Acadian Shores. It's quiet and peaceful, yet full of adventure. This is where the land meets the sea.

And where the darkest skies let the stars shine their brightest. It's where the food is fresh and local, and the music is too. It's where everything comes together. It's where the stars align.

This region is part of North America's first starlight destination—Acadian Skies and Mi'kmaq Lands—as designated by the International Starlight Foundation. Here you can discover dark skies like nowhere else, with brilliant stars from distant galaxies shining against the night sky. Enjoy a guided tour of the night sky at Deep Sky Eye Observatory, complete with onsite sky bubble accommodations. Or head to the world's first certified Starlight Hotel, Trout Point Lodge, for a luxury wilderness escape with gourmet dining and guided outdoor adventures.

Located within the UNESCO Southwest Nova Biosphere Reserve, this region offers scenic coastal drives, quaint fishing villages, and untouched landscapes. This is where you can begin your Nova Scotia experience, exploring nature and culture.

Traditions, music, and food have been more than preserved here—they flourish. Immerse yourself in Acadian culture at Le Village historique acadien de la Nouvelle-Écosse, a picturesque living history museum with costumed interpreters and onsite cafe. Be sure to try traditional Acadian dishes like fricot and rappie pie.

In downtown Yarmouth, stroll the Heritage District to see colourful murals and unique Victorian homes.

Experience the vibrant culture and joie-de-vivre this region has to offer!

# NORTHUMBERLAND SHORE

Melmerby Beach Provincial Park

# Experience warm-water beaches, charming towns and fab foodie finds

With more warm-water ocean beaches than anywhere else in Canada, this shore is Beach Country. There is always room for your beach towel, so don your swimsuit and sun hat and head out to Bayfield, Blue Sea, Caribou-Munroes Island, Heather, Melmerby, Northport, Pomquet, Rushtons, or Waterside Beach where the sparkling salt water averages more than 22°C (72°F) in the summer. Local producers of wine, spirits, craft beer, chocolate, and seafood are also dotted along this coastline, making for perfect pit stops as you beach hop.

But there is more along this quaint shoreline than beaches. This region is a burgeoning culinary destination with choices ranging from Atlantic Canada's first sustainable seafood restaurant at the 5-star Fox Harb'r Resort to handmade Appleton Chocolates. Farmers' markets can be found in Amherst, Pugwash, Tatamagouche, New Glasgow, and Antigonish, where just-harvested fruits and vegetables abound alongside one-of-a-kind handcrafted pieces by local artisans. Visit the GINstitute at Steinhart Distillery to craft your own gin, or Peace by Chocolate in Antigonish for a sweet treat.

Coastal accommodations are plentiful here, from cozy seaside cottages to campgrounds overlooking the Northumberland Strait. For a peek into this region's past, look no further than the Hector Heritage Quay in Pictou, the "Birthplace of New Scotland."

In New Glasgow, visit Viola's Way to learn the powerful story of Viola Desmond who stood up to racial inequality and became a Canadian civil rights leader.

# CAPE BRETON ISLAND

## Welcome to Cape Breton Island

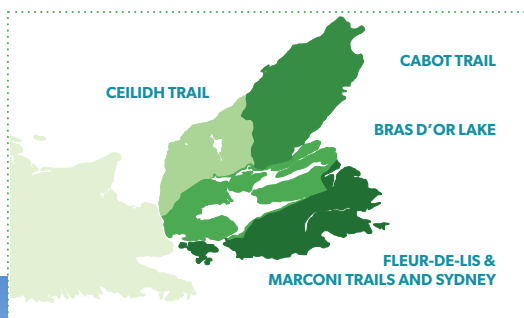

Words of welcome have long been offered to visitors as they cross the Canso Causeway to Cape Breton, ready to explore a region where history lives and breathes.

Step into the life of a French settler at the Fortress of Louisbourg National Historic Site, North America's largest historical reconstruction; take a White Glove Tour of the Alexander Graham Bell National Historic Site and get a behind-the-scenes glimpse into Bell's life; hear Mi'kmaw stories and music while on an Eskasoni Cultural Journey; discover Chéticamp's Acadian history and world-famous hooked rugs at Les Trois Pignons Museum; visit Baile nan Gàidheal | Highland Village, an outdoor living history museum and Gaelic folklife centre that illustrates the story, culture and identity of Nova Scotia Gaels; or tap your toes to the Celtic tunes and try your hand at playing the fiddle at the Celtic Music Interpretive Centre. Tales of Cape Breton's past continue to influence its future with countless opportunities for you to become immersed in the Island's stories.

Breathe in the fresh air as you venture outside to take in a hike along the Skyline Trail in Cape Breton Highlands National Park, recently voted the Best National Park in

Canada by *USA Today 10Best*—the spectacular cliffside ocean vista is a reward for the senses. Play a round at Cabot Cliffs or Cabot Links, named #13 and #25 respectively on *Golf Digest's* World's 100 Greatest Golf Courses for 2024 and #1 and #6 respectively on *Golf Digest's* Best Courses in Canada for 2024. Stretch your legs with a bike ride or hike along the Celtic Shores Coastal Trail. Take a bike, car, or motorcycle tour of the world-renowned Cabot Trail, recently voted Best Scenic Drive in Canada by *USA Today 10Best*, with its dramatic coastal views and highland scenery.

From history and culture to music, seafood, outdoor adventures, talented artisans, and friendly locals, a new discovery awaits around every corner of Cape Breton Island, named the #1 Island in the Americas by *Condé Nast Traveler* in 2019, 2020 and 2021, and #1 Best Island in Canada by *Travel + Leisure* in 2020 and 2021.

# Gaelic culture at its best

**"C**eilidh" (*kay-lee*) is Gaelic for "gathering," and a journey along the Ceilidh Trail (Route 19) by vehicle, or the Celtic Shores Coastal Trail by bike, offers an opportunity to experience the true meaning of the word. Both routes run parallel to the ocean and connect the communities and attractions along the way.

Meet the locals by stopping into the Celtic Music Interpretive Centre or The Red Shoe Pub for some live music and dancing, and enjoy a delicious meal at The Clove Hitch Bar & Bistro overlooking the ocean in Port Hood. Say hello to artist Ann Schroeder and peruse her beautiful hand-painted quilts and silk scarves. A trip to Mabou wouldn't be complete without a stop at the Mabou Farmers' Market. Over 40 vendors offer delicious local food and produce, beautiful jewellery and art, and of course, live music on Sunday mornings. For the golfer in your group head to Inverness and play a round at the world-renowned Cabot Cliffs or Cabot Links, named #13 and #25 respectively on *Golf Digest's* World's 100 Greatest Golf Courses for 2024, #1 and #6 respectively on *Golf Digest's* Best Courses in Canada for 2024, and #1 and #3 respectively on *SCOREGolf's* Top 100 for 2024.

Gaelic, Acadian, and Mi'kmaq people have strong roots in this area. Nowhere is this more evident than at the Strathspey Performing Arts Centre, a state-of-the-art performance facility where the music, dance, and folklore of these cultures are celebrated.

History, culture, and beautiful natural landscapes are combined here, offering up an unforgettable visit along Cape Breton's rugged coast.

## Unexpected discoveries

### Galloping Cows Fine Foods, Port Hood

This culinary treasure offers hand-crafted preserves that were featured in gift baskets at the Golden Globes, the Oscars, and the Toronto International Film Festival. Create your own gift basket of favourites, such as blueberry-rhubarb jam and brandy cranberry marmalade.

### Glenora Distillery, Glenville

North America's first distiller of single-malt whisky is cradled in a glen in the picturesque Mabou Highlands. Enjoy a tour of the distillery, followed by a taste of Glen Breton Rare whisky—the closest to authentic Scotch outside of Scotland. Don't forget your dancing shoes, The Glenora Pub has traditional ceilidhs twice a day. Make it an overnight stay and book a room in the inn, lodge or a chalet on site. The surrounding foliage is especially beautiful during the fall.

### Route 19 Brewing, Inverness

Enjoy a brew with a view! Located near world-renowned Cabot Links and Cabot Cliffs Golf Courses, this three-level facility, which includes a restaurant and tap room, is the ideal spot for a refreshing sampler after your round or a day at the beach, or for catching a sunset.

Referred to as the "Pebble Beach of Canada" by *Links Magazine*, the course, set along the picturesque rugged seaside cliffs of western Cape Breton, features an unusual configuration of six par-threes, six par-fours and six par-fives. Nearby Cabot Links, with golf greens sculpted around sand dunes and ocean views offered at each of the 18 holes, is the recipient of continuous accolades, including SCOREGolf's ranking of #3 on their Top 100 in 2024. Enjoy fine dining at Panorama or casual pub fare at Whit's Public House after your round. # Hike, golf and dance the Highlands

*“I have travelled the globe. I have seen the Canadian and American Rockies, the Andes and the Alps and the highlands of Scotland, but for simple beauty, Cape Breton outrivals them all.”*

—Alexander Graham Bell

The natural beauty of the highlands provides the perfect backdrop for outdoor activities such as golfing, kayaking, hiking, cycling, fishing, bird-watching, skiing, and snowmobiling. And don't forget the drive—the Cabot Trail was previously **voted Best Scenic Drive in Canada by USA Today 10Best**. The panoramic views are spectacular!

Golfers will never forget a day at the Stanley Thompson—designed Highlands Links, consistently ranked as one of the ten best golf courses in Canada. For a different perspective, take a guided kayak tour with Cabot Trail Adventures along the highlands of Northern Cape Breton. One of the most spectacular paddling destinations in North America, this remote and rugged coast offers imposing cliffs of ancient bedrock, which feature waterfalls, sea caves, and towering arches.

Some of the best hiking opportunities in Nova Scotia are found in the Cape Breton Highlands National Park, previously **voted Best National Park in Canada by USA Today 10Best**, with 26 trails for all interests and abilities. For a truly spectacular sunset view, take part in the Skyline Trail Sunset

Keltic Lodge, Ingonish Beach

Hike. This guided hike leads you to the top of a mountain headland, overlooking the ocean as the sun slowly dips into the horizon. The beauty of the highlands inspires many artisans living around the Cabot Trail. Stop in to watch them create their art, or try one of the hands-on workshops such as glass blowing at Glass Artisans Studio & Gallery.

The Cabot Trail's natural beauty is only outdone by the area's unique culture and unrivalled hospitality. You'll feel like a local after attending a ceilidh and hearing some of Cape Breton's finest musicians. Be sure to wear your dancing shoes, because you'll be up learning how to step or square dance with new friends in no time. By the end of your stay, you may even know a few words of the Gaelic language.

Plan to spend at least three to five days along the Cabot Trail, where you'll discover how Nova Scotia, or "New Scotland," got its name.

## Outdoor adventures

*The Cabot Trail is a nature-lover's paradise, so get out and enjoy all it has to offer for explorers of every fitness level.*

### Cape Breton Highlands National Park

Set against a backdrop of coastal highlands, a visit to Cape Breton Island is not complete without exploring this epic national park. For families looking to share memories around a campfire, or experienced adventurers seeking their next challenge, there are endless opportunities for exploration. Offering 26 hiking trails, camping for all experience levels, including oTENTiks, relaxing beaches, scenic look-offs, wildlife viewing, hidden waterfalls, and more. Hit the Cabot Trail and set off on your next great outdoor adventure!

### Salmon fishing on the Margaree River

For generations, anglers have been lured to the Margaree's tumbling rapids, deep pools, and still marshes. This popularity has attracted the TV show *The New Fly Fisher*, which chose the Margaree River as its first Nova Scotia location. Arrange a fishing guide to help you try your luck.

### Kayaking off Northern Cape Breton

One of the most spectacular paddling destinations in North America, this remote and rugged coast offers magnificent cliffs, sea caves, unique rock formations, and the occasional whale passerby. The challenging nature of this environment is only suited for experienced paddlers, and a guided tour is recommended. [Click here for a list of tour operators.](#)

### Helicopter tour of the Highlands

Join Breton Air for an incredible bird's eye view of the Cape Breton Highlands, Cape Smokey, Keltic Lodge and Ingonish. You will be wowed by this helicopter tour as you take in the scenery below from your window seat. This is truly a bucket list experience!

Fly fishing on the Margaree River

### Whale watching

Pods of Atlantic pilot whales spend their summers gorging on squid just off the shores of Pleasant Bay and Chéticamp. Book a Zodiac tour to meet and view these highly social sea creatures, which are sometimes as intrigued by you as you are by them. Along with many species of whales, chances are you'll see porpoises, seals, and seabirds while out on the open water. The best times to see whales are in the summer and fall months. [Click here for a list of tour operators.](#) Don't miss stopping into the Whale Interpretive Centre in Pleasant Bay with knowledgeable interpreters and interactive exhibits.

### Puffin-viewing boat tour

These cute, stocky seabirds summer in large colonies on coastal cliffs and rocky offshore islands before making their way south in the fall. Due to the remoteness of their nesting areas, a boat tour to sites like the Bird Islands—Hertford and Ciboux—is the best way to view them.

### Cape Smokey

Pay a visit to this four-season adventure centre. Take in the views as you ride Atlantic Canada's first gondola to the top of Cape Smokey; also a spectacular way to view the fall foliage. During the winter months ski, snowboard, cross-country ski or snowshoe; in summer enjoy paddleboard and kayak rentals, hikes and ice cream from the Summit Shack at the top of the mountain.

## Cycling the Cabot Trail

Named one of the top ten cycling destinations in the world by *Lonely Planet*, the Cabot Trail is a must-do on every cycling enthusiast's itinerary. The nearly 300 kilometres of paved roads take you along rolling terrain and up steep hills, all with a view of the open ocean. There are several tour packages available to help you make the most of this epic excursion, like those with Cabot Trail Adventures. If you prefer an independent adventure, head to Vélo Max Cycling in Chéticamp to rent a bike and pick up cycling supplies before hitting the hills. Visit [cyclenovascotia.ca](http://cyclenovascotia.ca) to download route maps and GPS coordinates.

## Tube the Margaree River

Take a break and relax on the world-famous Margaree River with Live Life in Tents. Let the currents carry you downstream as you dip your toes in the river. Keep your eyes peeled for salmon, bald eagles, and the occasional otter.

## Highland Bow & Arrow, Wreck Cove

This roadside archery attraction on the Cabot Trail in Skir Dhu, near Wreck Cove, focuses on traditional archery, providing a variety of recurve and longbow choices to try. Bows range according to age and ability.

## Sail the Bras d'Or Lake Biosphere Reserve

While visiting the lakeside community of Baddeck, set sail with Sailing CBI to explore the Bras d'Or Lake. This large inland sea is part fresh- and part saltwater, allowing it to sustain diverse ecosystems and wildlife, including many bald eagles. The gentle fog-free waters, beautiful anchorages, and hundreds of coves and islands make the Bras d'Or Lake the perfect sailing destination.

# BRAS D'OR LAKE

Bras d'Or Lake

NovaScotia.com

Eskasoni Cultural Journeys

# Discover the Island's inland sea

Stunning scenery is a fact of life in Nova Scotia, and that is especially true in the Bras d'Or Lake region. Literally translated as "Arm of Gold," the name surely was inspired by the sunsets over Canada's only inland sea. With a complex sequence of barrier beaches, rocky headlands, barachois ponds, and wetlands, it is no surprise that the area is a designated UNESCO Biosphere Reserve.

Here, you can connect with vibrant Mi'kmaq and Gaelic cultures. Experience Eskasoni Cultural Journeys on Goat Island to hear local stories, songs, and drumming, while learning about Mi'kmaq ways of life past and present. Immerse yourself in Gaelic culture at the Highland Village Museum | Baile nan Gàidheal and experience North America's only living history museum for Gaelic language and culture. Tour the historic buildings and award-winning exhibits in the new Welcome Centre, try hands-on activities, and be sure to stop by the Village Store for Gaelic-inspired gifts, baked goods or a takeaway charcuterie box to enjoy on your adventures.

Pick up some picnic supplies and visit the St. Peter's Canal National Historic Site, where you will learn how the canal has provided a link between the Atlantic Ocean and the Bras d'Or Lake for over 140 years.

## Outdoor adventures

*The Bras d'Or Lake region offers outdoor enthusiasts an array of adventures for every age.*

### Step aboard the Puffin Express

#### Bird Island Boat Tours

Just off the coast of Big Bras d'Or, the dramatic Bird Islands rise from the sea like rocky pillars. Take a tour with Bird Island Boat Tours to see thousands of nesting sea birds, including razorbills, kittiwakes, and over 300 pairs of Atlantic puffins.

### Golf lakeside

The incredible lake views will inspire you to play your best 18 holes on our acclaimed courses. Choose from Dundee Resort & Golf Club or The Lakes Golf Club.

### Cruise the lake

Known for gentle, fog-free waters, beautiful anchorages, and hundreds of coves and islands, the Bras d'Or Lake is also part of the UNESCO Biosphere Reserve. Take a sailing cruise of the lake with Cape Breton Sailing Charters, Amoeba Tours, or Richmond Adventure Planning. Keep an eye out for bald eagles, cormorants, and herons. You can also brush up on your sailing skills or take an introductory lesson.

### Canal Landing Sweet Grass Excursion

Discover how the Mi'kmaq harvest sweet grass on a two-hour guided excursion with your local expert. Sweet grass, a culturally significant plant, is used by the Mi'kmaq for traditional ceremonies, crafting and cleansing of the mind, spirit, body, and soul. Hike along a moderate trail as you explore nature, visit historic landmarks, and enjoy the beautiful aroma of sweet grass.

# Not-to-be-missed experiences

There’s history, culture, and beauty waiting to be discovered. The following offers you the definitive Bras d’Or Lake experience.

## Vineyard on the hill

### Eileanan Brèagha Vineyards, River Denys

Eileanan Brèagha Vineyards is the first and only estate winery on Cape Breton Island. The vineyard’s name, pronounced AY-len-an BREE-ah, means “beautiful islands” in Gaelic, and describes the view from its location perched upon Marble Mountain overlooking the Bras d’Or Lake. Stop in to sample and purchase some wine, or ask for a glass at local restaurants.

## Learn a story

### Wagmatcook Culture & Heritage Centre

Experience the music, storytelling, nature, food, language, and spirituality of Nova Scotia’s first people, the Mi’kmaq, in a beautiful setting on the shores of the sparkling Bras d’Or Lake.

## GRÁ Sustainable Farm

Translated from Gaelic, GRÁ means “love”. This 150-acre sustainable farm located on the Bras d’Or Lake grows produce, herbs, flowers, and animals using farming techniques that protect the environment and foster the development of healthy living. Dine on food grown just a few feet away, prepared using traditional cooking techniques with an emphasis on seasonality, freshness and a menu that accommodates what is harvested from the garden and surrounding area on a daily basis.

# Unexpected discoveries

## Eskasoni Cultural Journeys, Eskasoni First Nation

Take in this Indigenous cultural experience on Goat Island, part of Eskasoni First Nation, the largest Mi’kmaq community in the world. Experience Goat Island with a guided tour where you take part in a smudging ceremony, learn basketry, traditional dance, and hunting and fishing techniques, enjoy drumming and singing and a traditional snack of luskinigan and tea. Join an interpreter on a Medicine Walk Tour learning about age-old medicinal remedies or embark on a guided kayak tour. Self-guided tours are also available.

## Discover the Bras d’Or Lake UNESCO Biosphere

Experience the Bras d’Or Lake UNESCO Biosphere up close and hands-on at the Àros na Mara Centre of Learning and Discovery. Interact with a touch tank and gain a snapshot of the unique ecosystem of the biosphere.

## Taste local craft beer

### Big Spruce Brewing, Nyanza

Using certified organic hops grown on their farm, Big Spruce Brewing crafts microbrews with fun names like Cereal Killer Oatmeal Stout and Kitchen Party Pale Ale. Choose your pint while relaxing in their tasting room, overlooking the Bras d’Or Lake.

## Stroll through a Gaelic village

### Baile nan Gàidheal | Highland Village Museum, Iona

Fàilte! Costumed interpreters greet you in Gaelic at this 43-acre living history museum and share the stories of their ancestors while you tour the 11 historic buildings. Enjoy songs, stories and music of Nova Scotia’s Gaelic-speaking people at traditional ceilidhs. For an immersive encounter check out the Living History Program where you dress in period attire and experience what life was like for our Gaelic ancestors. (Note: space is limited). Perched upon Cape Breton hills, overlooking the Bras d’Or Lake, the sunsets viewed from this historic village are not to be missed.

## BRAS D'OR LAKE SCENIC DRIVE LISTINGS

Communities are listed in order as found when travelling through the region on the Scenic Travelway roads.

A man and a woman are walking hand-in-hand on a grassy path towards the Louisbourg Lighthouse. The woman is wearing a red polo shirt and white shorts, and the man is wearing a white long-sleeved shirt and dark pants. The lighthouse is a tall, white, cylindrical structure with a red lantern room, situated on a rocky hill. The scene is bathed in warm, golden light, suggesting late afternoon or early morning.

# FLEUR-DE-LIS & MARCONI TRAILS

Louisbourg Lighthouse

# Living history and a lively port city

The Fleur-de-lis Trail begins at the Canso Causeway and winds its way along the southeastern part of Cape Breton Island, where Acadian fishing villages dot the coast, hugged by untouched wilderness.

From the Fleur-de-lis Trail, continue onto the Marconi Trail, where a storied past will immerse you in its rich history. Enter the largest reconstructed fortified town in North America, the 18th-century French Fortress of Louisbourg National Historic Site which offers a peek into the daily lives of the costumed interpreters' personas. Descend into a coal mine with a retired coal miner at the Miners Museum in Glace Bay. At the Marconi National Historic Site, learn how the first wireless message transmitted across the Atlantic led to today's network of global communications.

Music is a vital part of life in this region. Feel the excitement at the award-winning Celtic Colours International Festival each fall. This nine-day Celtic music extravaganza brings the whole island alive with music and energy. Take in one of the shows at the Louisbourg Playhouse, a theatre-in-the-round performance venue inspired by London's 1599 Globe Theatre, or the Highland Arts Theatre in Sydney.

At the port city of Sydney, enjoy a stroll along the waterfront boardwalk. Take a selfie with the giant fiddle standing 18 metres (60 feet) tall, and savour the flavours of fresh, chef-prepared dishes inspired by the sea at one of the local restaurants overlooking Sydney Harbour. Check out the downtown shops along Charlotte Street, and don't miss the collection of locally made one-of-a-kind masterpieces at the Cape Breton Centre for Craft and Design.

# EASTERN SHORE

Eastern Shore

NovaScotia.com

Taylor Head Provincial Park

# An outdoor enthusiast's paradise

Stretching from the Halifax area to Cape Breton Island, Nova Scotia's Eastern Shore is a place where historically themed attractions, pristine wilderness, comforting cuisine, and expansive beaches come together to create a scenic seaside getaway.

The 100 Wild Islands are a group of over 280 wild islands, between Clam Harbour Beach Provincial Park and Taylor Head Provincial Park. Noted for their historical and ecological significance, most of these islands are now protected in perpetuity. Featured in *Canadian Geographic*, these islands offer sheltered coves of turquoise water with white sand beaches, windswept headlands, and unique boreal rainforests, bogs, and barrens. A rich diversity of seabirds, songbirds, and shorebirds also call this area home. Book a kayaking trip or scenic boat tour to experience this pristine environment.

Step into Nova Scotia's past at one of the region's living-history museums—the authentic late-1800s setting of Sherbrooke Village Museum, or Memory Lane Heritage Village's depiction of the province's rural industries in the 1940s or discover Chezzetcook's Acadian heritage at Acadian House Museum.

## Unexpected discoveries

### Black Sheep Gallery, West Jeddore

This colourful fish-plant-turned-art-gallery on the shores of Jeddore Harbour includes works from over 40 well-known folk artists, past and present, including Maud Lewis, Joe Sleep, and Barry Colpitts.

### Hope for Wildlife, Seaforth

### Lupin Dining & Pantry, Musquodoboit Harbour

Mingle with locals, listen to live music, and sample traditional flavours such as Solomon Gundy and hot-smoked salmon. Also enjoy hands-on activities like painting your own buoy, dory rowing, and lobster trap building. June 7–8, 2025.

### Picnic prep

Stop for lunch and grab homemade picnic snacks at the local cafes along the way, including The MacDonald House Tea Room & Crafts in Lawrencetown, Rose & Rooster in Grand Desert, Uprooted and Martinique Desserterie in Musquodoboit Harbour, Webber's Store in Lake Charlotte, The Marmalade Cafe & Coffee Bar in Sheet Harbour, and Beanie's Bistro in Sherbrooke.
